DIXIE'S TUPPERWARE PARTY TO RETURN TO FORT WORTH IN ITS FINAL SEASON APRIL 2-6 AT MCDAVID STUDIO *TICKETS ON SALE FRIDAY, JANUARY 17!*

FORT WORTH, Texas (January 13, 2025) – Performing Arts Fort Worth, the non-profit owner and operator of Bass Performance Hall, announced today that **Dixie's Tupperware Party**, starring Fort Worth's favorite Tupperware Lady, Dixie Longate, will return to McDavid Studio for a limited, six-show engagement April 2-6. This hysterical fan-favorite show comes to Fort Worth in its final season as a special addition to the **2024-2025 Irwin Steel Popular Entertainment Series** lineup. Tickets go on sale Friday, January 17 at 10am!

Dixie Longate is the fast-talking, gum chewing, ginger-haired Alabama gal who is bringing your grandma's Tupperware party into the 21st century. Audiences howl with laughter as Dixie demonstrates the many alternative uses for the iconic plastic kitchen staple. Filled with outrageously funny tales, heartfelt accounts, audience participation and a little bit of empowerment and homespun wisdom, **Dixie's Tupperware Party** leaves your heart a little bigger and your food a little fresher.

"When we heard that Dixie would be hanging up her apron after almost 20 years on the road, we just knew we had to bring her back to McDavid Studio one last time," said Performing Arts Fort Worth President & CEO Dione Kennedy. "Dixie's Tupperware Party has been a staple in our Popular Entertainment Series for many years. If you've never experienced a Dixie show before, I think you'll find it's an experience unlike any other. While you may come for a laugh, you'll leave with a fresh perspective and of course, some of that Dixie humor and charm."

Tickets are \$55 and may be purchased online at www.basshall.com or by calling 817-212-4280. The Performing Arts Fort Worth box office hours are Monday-Friday 9am – 5pm and Saturday 10am – 4pm. About Performing Arts Fort Worth

For over 25 years, the Nancy Lee and Perry R. Bass Performance Hall has been a Fort Worth icon and nationally distinguished performing arts venue. Built entirely with private funds, the Hall's mission is to serve as a permanent home to the major performing arts organizations of Fort Worth and as a premier venue for other attractions to enhance the range, quality and accessibility of cultural fare available to the public; to promulgate arts education; and to contribute to the cultural life of Fort Worth, Tarrant County, and the region.

Bass Performance Hall is the permanent home to the Fort Worth Symphony Orchestra, Texas Ballet Theater, Fort Worth Opera, the Van Cliburn International Piano Competition and the Cliburn. Each resident company operates independently from Performing Arts Fort Worth and manages its own programming schedule at Bass Hall.

Performing Arts Fort Worth, the nonprofit organization that owns and operates Bass Hall, also presents national touring Broadway productions under the Broadway at the Bass Series presented by PNC Bank, as well as intimate concerts, holiday specials and family entertainment in the Irwin Steel Popular Entertainment Series.

The 2,042-seat multipurpose Hall is characteristic of the classic European opera house form. An 80-foot diameter Great Dome tops the Founders Concert Theater while two 48-foot-tall angels grace the Grand Facade. Since the Hall opened in May 1998, the angels have become preeminent cultural icons of the Dallas-Fort Worth community.

In addition to Bass Performance Hall, Performing Arts Fort Worth also owns and operates the Maddox-Muse Center, a complex that includes McDavid Studio, the Van Cliburn Recital Hall and various facilities that support an array of performances and special events. With state-of-the-art acoustics and atmospheric lighting, McDavid Studio is a versatile studio space perfect for intimate concerts and performances hosting audiences of around 250-300. A multipurpose performance space ideal for hosting any number of events, the Van Cliburn Recital Hall was built in mind for the resident companies of Bass Performance Hall to utilize for rehearsal and commercial use.
